

Truong Tuan Kiet

FRONT-END DEVELOPER

☎ 0908638343 ✉ jeremytk.business@gmail.com 🌐 github.com/realjeremy04 📍 Ho Chi Minh City

OBJECTIVE

Front-End Developer with hands-on experience in building responsive and scalable web applications using React, TypeScript, HTML, and CSS. Skilled in API integration, improving UI/UX, and translating design requirements into clean, user-friendly interfaces. Familiar with Agile workflows, teamwork, and delivering high-quality solutions in fast-paced development environments.

WORK EXPERIENCE

Frontend Developer - 2024

FPT Software

- Developed a responsive course page using React + Vite + TypeScript, ensuring smooth user experience across devices
- Integrated video streaming with React Player for course content delivery
- Managed application state with Redux and handled API integration using Axios
- Improved UI/UX with animations (AOS) and interactive components (Swiper)
- Collaborated in a 5-member Agile team, participating in sprint planning and code reviews

PROJECTS

B-ShowSell - Social Media Content Management & Analytics System 08/2025 - 01/2026

Frontend Developer

- Developed a multi-platform workflow for Facebook and TikTok, enabling the management of daily posts and streamlining content scheduling.
- Integrated Facebook & TikTok APIs to automate real-time tracking of Views, Likes, and Shares, reducing manual data collection time by 70%.
- Built a dynamic analytics dashboard with Recharts, visualizing 10+ key engagement KPIs to drive data-driven content optimization.
- Leveraged Atomic Design to create 30+ reusable components, increasing frontend development velocity by 25% and ensuring UI consistency

Tech Stacks: React, TypeScript, Redux Toolkit, Facebook/TikTok APIs, Recharts, Tailwind CSS.

SKILLS

Languages	TypeScript, JavaScript
Frontend	React, Tailwind, HTML, CSS
Tools	Axios, Git/GitHub, Redux Toolkit, Postman, RESTful APIs
APIs & Integration	Facebook API, TikTok API, Video Streaming Integration (React Player)

LANGUAGES

- Vietnamese: Native
- English: Professional Working Proficiency (IELTS 6.5)

EDUCATION

FPT University 2022 - 2026

Bachelor - Software Engineer
